The **FELLING** Style

Quality - Craftsmanship - Pride

Felling Trailers is a family owned and operated Full Line Trailer Manufacturer located in Central Minnesota. Started in 1974 by Merle J. and Kathy Felling, Felling's daughters Brenda Jennissen and Bonnie Radjenovich now own and operate the company with their spouses Patrick Jennissen and Paul Radjenovich. Felling Trailers, Inc. has grown from a small shop to a factory and office complex that today covers over 400,000 square feet. Felling Trailers currently manufactures over 5,000 trailers a year ranging from a 3,000 lb utility trailer to a 120,000 lb hydraulic gooseneck trailer, and its standard trailer line includes over 240 models. Felling's pride and differentiation is its customized trailer division. Its engineers utilize the latest Industry-leading design techniques, and its experienced metal craftspeople use cutting-edge technology to turn its customers' conceptual trailer needs into a tangible product. Felling Trailers continually researches and implements new technologies to reduce lead-time and increase production in the manufacturing plant. Felling has been providing innovative trailer solutions to the transportation industry for over 50 years. Felling Trailer experts have the answers to your specialized trailer needs. Felling Trailers' current capabilities allow them to provide a high-quality product that is distributed across North America and internationally. Felling Trailers, Inc. is an ISO 9001 Certified Company, WBENC-Certified WBE, and EOE.
